

PlasmaEYEZ™
has a **ZERO**
Wetting Angle
immediately
after treatment
and provides a
cleaner lens
surface upon
dispensing.

The logo for PlasmaEYEZ features the word "plasma" in a lowercase, blue, sans-serif font with a white outline. The letters "EYEZ" are significantly larger and rendered in a bright yellow color with a blue outline. The entire logo is set against a large, circular background with a blue-to-white gradient and a subtle grid pattern.The X-Cel Contacts logo consists of the text "X·CEL" in a stylized, blue, serif font, with "Contacts" in a smaller, blue, sans-serif font below it. Underneath, it says "A WALMAN COMPANY" in a very small, blue, sans-serif font. The logo is positioned in the bottom right corner of the main graphic area.A large, blue, curved arrow graphic pointing to the right, spanning across the width of the page.

AN FDA APPROVED TREATMENT FOR ENHANCED COMFORT & WETTABILITY

When placing your next GP order with X-Cel Contacts, request a lens material from the Paragon HDS® Technology and ask for the PlasmaEYEZ™ treatment. Your patients will value their crisp vision, enhanced comfort and your expertise!
